Everythings alright
Traveling across this desert
and my horse just died
Middle of no were
But the sun shines right in my eyes
though its truely beautiful
it just might take my life(my life)
But everything's alright

whoaaaaa
everythings alright
whoaaaa
everythings alright right now
whoaaa
everythings alright
whoooooaaaa

Everythings alright
Warm inside the day time but its
oh so cold at night
The wind hits my skin like needles
but im just fine
sleep beneath the lovely stars
and pray for morning time, tonight,
cause everythings alright

whoaaaaa
everythings alright
whoaaaa
everythings alright right now

whoaaa
everythings alright
whoooooaaaa

Everyday, that we live, is a blessing
and every night, is a gift
when you wake in the morning
know that not everyone is
not everyone is
so everythings alright

whoaaaaa
everythings alright
whoaaaa
everythings alright right now
whoaaa
everythings alright
whoooooaaaa

whoaaaaa
said everythings alright
whoaaaa
i said everythings alright right now
whoaaa
said everythings alright
whoooooaaaa
