Y'all Ready? Felli Fel, Ne-Yo, yeezy, calm down, easy,  
easy

[Refrain: Ne-Yo]

Keep tellin' me you got a man, but he can't do what I  
can

Let me show you what you've been missing (Felli Fel on  
the track by the way)

He's showing you the minor things

Let me show you the finer things

Let me (I make my appearance) show you what you've  
been missing

[Kanye:]

Right about this time, raise your glasses

What's my motivation? That ass is

Start a conversation like as if

you really want to know about a day in that shit

go ahead and tell the dj "play Swiss"

Now I ain't gotta tell these hoes who I is

Bitches hatin' again, that's music to my ears

What you think my fuel was for all of these years?

I'm inspired when people don't like me

I't keep me writing, so exciting

Man, the drama is so enticing

I might just bite a motherfucker like Tyson

Just to try the motherfuckers so you chain

Throw cash, that's cake and icing

I ask her "you blind?" she said "no, just sightseeing"

Maybe that's good, you just ain't found a right thing  
(yet)

Keep tellin' me you got a man, but he can't do what I  
can

Let me show you what you've been missing

He's showing you (allright) the minor things (uhuh)

Let (Cyssero) me show you the finer things (let me  
show you something)

Let (uhuh) me show you what you've been missing (If  
you knew better, you'd do better. You do better if you  
choose better)

[Cyssero:]

Let me show you what you've been missing

Guaranteed you'll be hooked like fishes

By the fisher man when he goes fishing

Lips made for kissing, body for caressing

Let me caress ya, let me undress ya,

I could be your professor, lemme just test ya

I'll be your ultimate sexer, and yes sir,

I'ma sex ya all through the semester

Hey, skip the lecture, I wanna get next to

you boo, boo, let me show you what it's like to ride with  
a G like me

I'll be where they can't go, see what they can't see

I could show you the finer things

I'm too major to know about the minor things (you dig?)

Obviously, you ain't found the right thing yet

I bet your man can't do it like me, check

Keep tellin' me you got a man

but he can't do what I can

Let me show you what you've been missing

He's showing you the minor things, (uhuh)

let me show you the finer (uh) things (uhuh)

Let me (uh uhuh) show you (let me show you all) what  
you've been missing

We can parler, ball out all day

Yeah, I'm just trying to show you what the song say

Louis Vuitton sneaks, Louis Vuitton lay, Louis Vuitton  
Don and ridin' with Kanye

What did this bra say? "Those heavy stones on your  
wrist". She keeps askin how much do my arm weight

I replied back "Boo, never mind that. I'm G4 jet. You  
ever fly that?"

The Paradise Island I was reclined back

In our bed, when we laying, you won't wanna fly back

You wanna try that, hit the mall and buy that?

But you'll miss out if you decide to sidetrack

I can have you by my side, ma, besides that

hit it from the side, I took the decide to climax

Chain swing side to side and blind cats

Cyssero, Kanye and Ne-Yo, rewind that

Keep tellin' me you got a man, but he can't do what I

can

Let me show you what you've been missing

He's showing you the minor things

Let me show you the finer things

Let me show you what you've been missing
