(Oooooh oooooh) [x2]
I fantasize because there's nothing more,
From a distance, I do adore,
You are her property and she is yours,
Nothing I could do...

But close my eyes and watch us dance,
Together,
Underneath the cherry moon,
Your another womans man,
In my mind
It's only you and me
It drives me crazy
I just wanna stand up and scream

Tonight I will steal you away
(Oooooh oooooh)
All I want is just one taste (Oooooh)
All that I want to do
Forbidden fruit
[Forbidden Fruit Feat Shakira Lyrics On]
I got to get up quick,
Before she catch me starin at his lips,
They look like wine, I want to take a sip
Nothing I can do...

But close my eyes and watch us dance,
Together,
Underneath the cherry moon,
Your another womans man,
In my mind
It's only you and me
It drives me crazy
I just wanna stand up and scream

Tonight I will steal you away
(Oooooh oooooh)
All I want is just one taste (Oooooh)
All that I wanna do

It's something I should'nt

Ooh, the room is startin to spin
Gimme your hand, forget your girl
Let's go somewhere and commit a sin

Tonight I will steal you away
(Oooooh ooooh)
All I want is just one taste
(Oooooh ooooh)
