Was gonna give you these flowers tonight
Was gonna ask you to stay
Practiced all that I would say is just right
But now there are no words to say.

As I watch you kiss him softly the same way you kissed
me
I screamed what am I gonna do with forever now?
Tell me what am I gonna do with forever now?
All the plans we've made don't work if you're not
around
So tell me what am I gonna do with forever now?
What do I do now?

What do I do now?

In slow motion I let these flowers hit the ground
And right before I turn to leave
I watched you kiss him softly then look up and see me

And I scream what am I gonna do with forever now?
Tell me what am I gonna do with forever now?
All the plans we've made don't work if you're not
around
So tell me what am I gonna do with forever now?
What do I do now?

Everything you said we would be
All the things you said we'd do
I lived all my life around the thought of me and you

And I scream what am I gonna do with forever now?
(What do I do, what do I do?)
Tell me what am I gonna do with forever now?
(What do I do, what do I do?)
All the plans we've made don't work if you're not
around
So tell me what am I gonna do with forever now?
What do I do now?

What do I do now?
What do I do now?

What do I do, what do I do now?
What do I do now?
What do I do, what do I do now?
