[Obama Speech]

I have never been more hopeful about America.
Not because I think I have all the answers.
Not because I'm naive about the magnitude of our
challenges.
I'm hopeful because of you.

Ohh Yeah (x4)

[Ne-Yo]

You can't give up on hope,
Each other's hand we hold,
We're on a long hard road,
But we travel it together,
We pull each other up,
We fill each other's cup,
So we all have enough,
We're all in this together,
Whoa, we're halfway there,
So stand up, if you care, yeah, yeah

[Chorus] Ne-Yo

[Forward], need to make our way
[Forward], each and every day
[Forward], you need to vote and say
[Both] Keep us moving forward
[Forward], through and every day
[Forward], yeah we're on our way
[Forward], so let them hear you say
[Both] We'll move this country forward
Whoa, yeah, whoa [Ohh Yeah (x4)]
We move this country forward

[Johnny Rzeznik]

Yes things are still tough now
But take a moment and think how
We've come so far and how we did it all together
For all and not just some
For the many not just one
And we're so far from done
Theres a clearing in the weather

[Ne-Yo]
No time to back down
We're on our way to higher ground, yeah!

[Chorus] Johnny Rzeznik
[Forward], need to make our way
[Forward], each and every day
[Forward], you need to vote and say
[Both] Keep us moving forward

[Chorus] Ne-Yo
[Forward], through and every day
[Forward], yeah we're on our way
[Forward], so let them hear you say
We'll move this country forward
Whoa, yeah, whoa

[Obama Speech]
Yes our path is harder, but it leads to a better place.
Yes our road is longer, but we travel it together.
We don't turn back. We leave no one behind. We pull
each other up.
We draw strength from our victories and we learn from
our mistakes.

[Ne-Yo]
Woah
We're halfway there, so stand up, if you care, yeah

[Ne-Yo, Johnny Rzeznik, Natasha Bedingfield, Delta
Rae]
Forward, responsibility
Forward, and dignity
Forward, and stability! hey
Keep us moving forward
Forward, with equality
Forward, and stability
Forward, and melody
Keep us moving forward

[Chorus] Ne-Yo
[Forward], need to make our way
[Forward], each and every day
[Forward], you need to vote and say
[Both] Keep us moving forward

[Chorus] Johnny Rzeznik
[Forward], through and every day
[Forward], yeah we're on our way
[Forward], so let them hear you say

[Both] We'll move this country forward
Whoa, yeah, whoa [Ohh Yeah (x4)]
We'll move this country forward
Whoa, yeah, whoa [Ohh Yeah (x4)]

[Obama Speech]
Our problems can be solved. Our challenges can be met.
That path we offer may be harder, but it leads to a better place.
And I'm asking you to choose that future.

[Ne-Yo]
We'll move this country forward
