( Free Me )

Listen lil' mama let me ask you a question..

[ Chorus ]

Are you running with yo man  
Are you gon' believe your friends  
If you gunna roll with them..  
Free Me

Verse 1

Let me break down to you what you do that makes this  
difficult  
Its a couple little things that we gots to fix  
If we gunna be in this relationship  
Little mama, can't nobody spoil my party, and break my  
trust in you  
Don't play dem games and its a shame cuz I wish you  
felt the same..

But you, you're forever claiming something, somebody  
saw me somewhere

And You

bring it to me hard like you just got proof that I was  
there

Baby you're the one that I want but this is crazy  
Im tired of proving myself to you  
So what you gunna do?

[ Chorus ]

(I know I got a history)

I know it babe, I got some things in my past girls that  
didn't last, that aint the plan, one woman man now  
Please tell your friends to let me be  
Cuz ima leave all mine alone, get my stuff and ill be  
home

[Free Me Lyrics On ]

[ Chorus ]

Bridge:

Girl I don't want to go back to running round.

But I got no issues if you let your homegirls shut us  
down

Got too much love for you

But if you can't believe in me, then girl we got nothing.

So tell me one thing baby

[ Chorus ] 2x's
