Oh! Sheâ€™s a queen, sheâ€™s a nag
Sheâ€™s a dream, sheâ€™s a headache
More than a normal cat could ever take
But little momma fits me perfect
Hand inside a glove
Sheâ€™s as mean as a demon, but sweet as an angel
Donâ€™t know if I wanna kiss her or strangle
So many different sides, different angles
Thatâ€™s just modern love!

Bridge:

Compleximplicity - difficult, easy
Doesnâ€™t matter, sheâ€™s the one I need!
Sheâ€™s the one I need!
Lovely smile or tears
As long as she is right here
Iâ€™ll be hers forever happily (ever happily)!

Chorus:

Gemini, Iâ€™m love with you my Gemini
Baby, you stay at the top of my mind
Iâ€™m holding on to your love, and girl I wonâ€™t let
go!
My Gemini, stay by my side, cause baby this kinda love
never dies
Iâ€™m holding up to your love,
and girl I wonâ€™t let go, my Gemini!

Uh, cure and the illness
Fake as a fantasy, but the realest
Youâ€™re everything and nothing, all in one (all in
one)
And I could love you and hate you like all at the same
time
Two size of the same beautiful dime
I will admit it can be confusing
Baby, but itâ€™s so much fun!

Bridge:

Compleximplicity - difficult, easy
Doesnâ€™t matter, sheâ€™s the one I need!
Sheâ€™s the one I need!

Lovely smile or tears
As long as she is right here
I'll be hers forever happily (ever happily)!

Chorus:

Gemini, Girl I'm in love with you my Gemini
Baby, you stay at the top of my mind
I'm holding up to your love, and girl I won't let
go!
My Gemini, stay by my side, cause baby this time love
never dies
I'm holding up to your love,
And girl I won't let go, my Gemini!
