run my hand up ya shirt
if you wit it say you wit it let me hear my birdies churp
(we like it!)

[bitch talkin spanish]

she likes the way that everything
I do it so fresh and so clean
my tone is free no need to scream
boss like a milla firm not mean

can't be about C-notes
she know my pockets deep
enough to see a deepthroat
but she won't see a dividend like 3 times ?
and thatz triple X rated cha know
