(verse 1)

second street  
the restaurant where you took me  
the first time you said it would be  
us together  
I remember  
I,I drove past it yesterday  
just reminisen on those days  
to my surprise thats where I  
saw you together at our table with her cuddled up  
and you look so happy she smiles back atchur smile at  
her yes I took that but when you kissed her i didnt  
mean to break the window but i just want you to know

(CHORUS)

Im not upset  
Oh woaahh  
Not susicidal or depressed  
Oh woahhh  
just gotta get this off my chest  
Oh woaahh  
I FUCKEN HATE YOU  
ooooooo  
Im not upset  
Oh woahh  
Im wishen you n her the best  
oh woaaaah  
I'll leave right after i express  
woaaah oh  
I FUCKEN HATE YOU

(verse 2)

Starren at me  
from over there as if im crazy  
i walk over asking who is she  
introduce myself to her  
hi im you in a year  
shes got my blue scarf on the one i couldnt find at  
home  
i thought i lost it but now i know i almost break her neck  
and i snatch it off

then you stand up and you say to me baby please dont  
start over me and i turn my head and smile dont mind  
the twitchen of my eye trust me when i say that im fine

(Chorus)

(bridge)

oooh every relationship has problems  
thought we were working it out little by little  
trying to be happy and then oooh  
and dont thinkt that ill cry for you i hope your happy till  
she relizes that you were disguises  
when she sees the real you shes gonnah hate you too

CHORUS OUT!
