We back at it baby  
It's loso in case you ain't know so  
That boy Ne-yo  
Chill out shorty we do this

You see I met her at a party the album release  
I told her I switch dates like the album release  
And when it come to the style I'm a beast  
Swagga is crazy  
I should be in a asylum at least  
& uhm I'm a gentleman I open the doors  
So I'm opin in more than Oprah at 4  
I does my thing and I hope you do yours  
Cuz my shit is so dope  
You wont cope with withdrawal?  
They like nope we want more  
Shorty I could sell it like I tell it  
I should open a store  
But I don't do the drama  
Really think ima come blow it up like a suicide bomba  
Might give you a wink  
Might send you a drink  
Could be nothing  
It might be what you think  
And either way it play I'm still loso  
Had to give it to you baby  
In case you didn't know so

I've got a few different women  
Told you from the beginning  
Girl don't act brand new  
I tried to be honest said if so tell me why you trippin  
You know how I do  
Why you callin screamin bout some place that I was  
seen in with somebody else  
You really need to get a hold of yourself girl  
Heyyy  
If you're asking me if I was out with a little sexy thing in  
a tight red dress  
Well if you must know the answers yes  
Riddle me this  
When we started chillin

Didn't I say that I aint willin to be your boyfriend  
Take it or leave  
Riddle me that  
If I kept it real & you said you wanted me still  
So why the hell are you screamin at me  
About the fact that

I've got a few different women  
Told you from the beginning  
Girl don't act brand new  
I tried to be honest said if so tell me why you trippin  
You know how I do  
Ohhh hey  
Did I say anything to you  
When I spotted you with some dude  
From around your way  
I saw you just the other day  
Yeee  
No didn't even mess wit it  
Cuz real talk ain't my business  
You ain't my lady  
Do you thing play how you play  
Riddle me this  
If you be out havin fun  
Kickin it with this one that one  
& I don't give you no flack about that girl  
Riddle me that  
If I don't get in your stuff  
Baby wont you tell me what  
Gives you the right to be all on my back  
About the fact that

I've got a few different women  
Told you from the beginning  
Girl don't act brand new  
I tried to be honest said if so tell me why you trippin  
You know how I do  
Oh baby let me break it down  
It's all about honesty  
So baby girl why you wanna trip on me  
Said it's all about honesty  
I kept it real  
I kept it real girl  
You wanna run in these streets  
Wanna run in these street  
But don't be mad when you see me  
Said it's all about honesty  
I kept it real
