The way
(Hold up, Ne-Yo, ya)
The way you switch
Little mama so thick
Iâ€™m so sick
Body like a shotgun (Bang)
Sheâ€™s a hot one
Clock go click
And she know it
Measurements 36â€™24, 4â€™6
And everywhere you have a problem
Probably tired of hearing it

Yeah (Yeah)
Shorty I donâ€™t wanna waste your time (mm mmm)
It ainâ€™t a secret baby girl you fine (mm)
You could have anybody here that you want, thatâ€™s
right
Including this fella
Cuz youâ€™re a diamond and I dig your shine

But I donâ€™t gotta tell you that
You know you look good
(Girl you know you fine)
So I donâ€™t gotta tell you that (no)
Cuz I know you hear it all the time

Donâ€™t wanna gas you up
But it ainâ€™t like I can just pass you up
Show me your strut
You make a dude wanna cash you up (whoa)
But that I ainâ€™t how I do
You look good but I ainâ€™t gonâ€™ buy you
Said I just wanna try you
Hit up my cell if itâ€™s cool to slide through

Hey
Shorty I donâ€™t wanna waste your time (Wonâ€™t waste
your time girl)

It ainâ€™t a secret baby girl you fine (Girl you know you
fine)

You can have anybody here that you want, that's right
Including this fella
Cuz you're a diamond and I dig your shine

But I don't gotta tell you that (no no no)
You know you look good (you know you know you know)
(Girl you know you fine)
So I don't gotta tell you that (no) (don't gotta tell you
that)
Cuz I know you hear it all the time (all the time)

Shorty I don't got no game
Ain't got no falsie playa wit for me to say
That girl you are off the chain (so off the chain)
But I'm sure baby
Sure you knew that anyway

But I don't gotta tell you that
You know you look good
(Girl you know you fine)
So I don't gotta tell you that (no)
Cuz I know you hear it all the time

[Harmonizing]
I don't got to tell you that

[Spoken:]
You know you fine
So wassup?
You rolling?
Let's go
