### Verse 1

Want to, but I can't help it  
I love the way it feels,  
It's got me stuck between my fantasy and what is real  
I need it when I want it, I want it when I don't  
Tell myself I'll stop everyday, knowin' that I won't

### [Bridge]

I got a problem and I don't know what to do about it  
Even if I did, I don't know if I would quit but I doubt it  
I'm taken by the thought of it, and I know this much is  
true  
Baby, you have become my addiction, I'm so strung out  
on you  
I can barely move but I like it

### [Chorus]

And it's all because of you [3X]  
And it's all because?  
Never get enough,  
She's the sweetest drug

### Verse 2

Think of it every second  
I can't get nothing done,

Only concern is the next time, I'm gonna get me some  
Know I should stay away from, cause it's no good for  
me  
I try and try but my obsession wont let me leave

### [Bridge]

I got a problem and I don't know what to do about it  
Even if I did, I don't know if I would quit but I doubt it  
I'm taken by the thought of it, and I know this much is  
true  
Baby, you have become my addiction, I'm so strung out  
on you  
I can barely move but I like it

### [Chorus]

And it's all because of you (all because of you) 3X

And it's all because?  
Never get enough,  
She's the sweetest drug

Ain't no doubt, so strung out 2X  
Over you, over you, over you
