mmm  
let me find the pagee  
mmm  
hey yeahh

come on in  
shut the  
door behind you girl  
go on n take off all your clothes  
cus you aint gona need those  
for what we bouta to do boo

put back on your shoes ooh  
dont get it confused  
i aint sayin  
anything is wrong wit ur feet

i just think its sexy  
when you pose for me  
in them red 6 inch stilletoes  
you need somethin to  
set the mood  
girl its cool

if u need the music slow  
i'll get it  
low  
i'll get it  
somethin to drink somthin to smoke  
i'll get it  
i'll get it  
you aint got to move  
cus i'll get it  
baby i'll get it

lay down on the bed  
arch your back a little bit  
now  
just turn your head twords me  
oh so sexy  
let me just stare at you

hope you got stamina  
let me get my camera

before we began  
do u need  
a sip of that hypno  
toke of that hyrdo  
girl just let me kno  
i just want you to be  
comfortable  
what you want i got  
dont move from that spot

if u need the music slow  
i'll get it  
low  
i'll get it  
somethin to drink somthin to smoke  
i'll get it  
i'll get it  
you aint got to move  
cus i'll get it  
baby i'll get it

hey
