It's you, it's you, it's you.
It's you (Ooh)

I'm at a lost, don't know what to say to you. (Mm)
Throwing me off, I know what I feel but I can't tell you I
do.
See now I know my fights not for myself, my fight's for
you.

You're everything I never wanted to want, it's true.
Said you're everything I never wanted to want, it's you.
It's you, it's you, it's you.
It's you, it's you. (Mm) (Ey)

I'll write a song three times a day but I can't talk to you.
(Ooh)
I know what's wrong, I never meant for me to feel like I
do (Oh)
If this is love, it sucks cause I don't want it but I do.

You're everything I never wanted to want, it's true.
Said you're everything I never wanted to want, it's you.

It's you, it's you, it's you.
It's you, it's you. (Mm) (Ey)

Just walk away (ay), wipe that smile off your face. (Hey)
I just wish I could say that to you.
But I need you tonight.
Need you tonight...
I need you for life.
Need you for life, life, life.

Said you're everything I never wanted to want, it's true.
Said you're everything I never wanted to want, it's you.
It's you, it's you, it's you.
(Oh woah woah)
It's you, it's you. (Mm) (Ey)
