She had the kind of smile to where you couldn't tell,
Maybe she could be heaven maybe she'd be hell.
And when she danced on me I couldn't help myself.
I couldn't help myself, I couldn't help myself.
She had the reddest lips, she had the sweetest smell.
And when she moved her hips everyone's jaw just fell.
But when she danced on me I couldn't help myself.
I couldn't help myself, I couldn't help myself.
I try to stop my mind thinking things I can't tell.
She knew just what she doin' and she does it well.
And when she danced on me I couldn't help myself.
I couldn't help myself, I couldn't help myself.
I just can't help myself.
(Girl when you move like that.)
I just can't help myself.
(Girl when you throw it back.)
Girl when you dance on me I just can't help myself.
I just can't help myself, I just can't help myself.
Ay hey ay,
Whoa.
Ay hey ay,
Whoa.
Ay hey ay,
Whoa.
I just can't help myself.
I just can't help myself.
She'd get inside your mind, so sexy is her spell.
She'll move her hips around just like a carousel.
And when she danced on me I couldn't help myself.
I couldn't help myself, I couldn't help myself.
I try to stop my mind thinking things I can't tell.
She knew just what she doin' and she does it well.
And when she danced on me I couldn't help myself.
I couldn't help myself, I couldn't help myself.
I just can't help myself.
(Girl when you move like that.)
I just can't help myself.
(Girl when you throw it back.)
Girl when you dance on me I just can't help myself.
I just can't help myself, I just can't help myself.
Ay hey ay,
Whoa.

Ay hey ay,
Whoa.
Ay hey ay,
Whoa.
I just can't help myself.
I just can't help myself.
