Singin' ooooh.  
Said ooooh.  
Oooooh.  
That lazy love.

Ohh, my lobby call was 11:30  
I'm officially the opposite of early  
I gotta go downstairs (downstairs)  
Everybody waitin' down there for me  
But I roll over into your curly (hair)  
And sexy body, oh so nice and curvy (yeah)  
Reminiscing on last night (damn)  
Wake up, baby  
Let me get it one more time, before (before, before)  
I gotta go  
I got responsibilities I gotta take care of (oh-woah, oh-woah)  
That's when you wrap them legs around me  
And I fall victim to that lazy love... (Aye)

You got that I don't wanna, that I don't wanna go  
nowhere  
That lazy love  
You got that I don't wanna, that I don't wanna do  
nothing  
You got that lazy love (Aye)  
You got that I don't wanna, that I don't wanna do  
nothing  
That lazy love, (Aye)  
You got that I don't wanna, that I don't wanna do  
nothing

Damn, baby, that was good  
I'm 'on hit the shower  
Even though I'm about two hours  
Late  
But I can't help it, man  
If they knew what I knew, they would understand  
(understand)  
I'm washing last night off the time to boss up  
When suddenly on my back I feel a soft touch  
She right behind me, water glistening off her body

Lookin' at me like one more time

But baby I gotta go  
I got responsibilities I gotta take care of  
That's when you wrap them legs around me  
And I fall victim to that lazy love.

You got that I don't wanna, that I don't wanna go  
nowhere  
You got that lazy love  
You got that I don't wanna, that I don't wanna do  
nothing  
You got that lazy love (Aye)  
You got that I don't wanna, that I don't wanna do  
nothing  
That lazy love  
You got that I don't wanna, that I don't wanna do  
nothing

Singin' ooooh.  
Said ooooh.  
Ooooooh.  
That lazy love.  
Ooh, yea-eh.
