Ne-Yo Talking

I believe that love and trust are one in the same.

I don't think you can truly love somebody unless you trust them.

That blind trust, that beyond a shadow of a doubt,  
No matter what this person says, that person,  
you believe your man.

Now you say you love me,

But every time one of your little friends comes at you  
with something

we gotta do this.

Momma I'm trying, I'm trying to show you I'm for real.

Tell me what I gotta do to show you that I'm for you

Jennifer (Ne-Yo)

Just shut up and listen....

Two hundred and sixteen,

That's how many times that I went back and forth about  
it in my mind,

Could she, could she really be who he's telling me that  
she is,

There's something about it that don't feel right.

Saturday she called here 26 times,

(Oh you counted?)

You kept telling' me not to worry

(Don't worry bout it)

Wanna believe that you're telling the truth,

(Then don't doubt it)

But if you are lying TO ME,

You're leaving tonight,

Out of my life,

Everyone said you aint no good

And you proved them right.

You're leaving tonight,

It's over and done,

Ain't no sense in trying to wait,

Till the morning comes.

Ne-Yo

Baby now hold up,

Lets just settle down

Cause there's a perfect explanation  
To this situation,  
That we're going through (this that we're going  
through)  
I swear I don't know that girl,  
But I've seen her around  
And she's expressed how much she want it,  
But baby I'm not lonely,  
All of me is for all of you.

Ne-Yo (Jennifer)  
Said I gotta girl like a thousand times  
(Oh so you counted?)  
She kept telling me not to worry  
(Don't worry bout it)  
Please believe I'm telling the truth  
(I really doubt it)  
Really wish you would believe in me  
I'm not leaving tonight  
Girl you're my life  
All of your friends think I'm no good  
Please don't prove em right  
I'm not leaving tonight  
It's over and done,  
Lets leave this alone  
And lets make love till the morning come  
Not leaving tonight

Jennifer (Ne-Yo)  
Oh I wont deny  
That everything in my body  
Wants to know that you're the one  
(so what's the problem girl)  
See I cant take this serious  
When you're just having fun  
steady running around  
Makin a fool of me  
(Baby you can't listen to everyone)  
(I'm you're man)  
You're my man  
(Trust in me, don't let them interfere with us being  
happy)  
(Love me girl)  
I love you that's a fact  
(Say that you love me)  
But I'll be damned if IMMA let you  
UP and disrespect whose been  
THERE from the start.  
You claim, CLAIM TO NOT KNOW THAT GIRL  
(Her name and number is in your phone)  
She even got a ring tone

You care to explain that PART.
