

Ne-Yo

"Let Me Love U"

Visit "[Let Me Love U](#)" on MotoLyrics.com

Much as you blame yourself, you can't be blamed for
the way that you feel
Had no example of a love that was even remotely real
How can you understand something that you never
had?
Ooh, baby, if you let me, I can help you out with all of
that

Girl let me love you
And I will love you
Until you learn to love yourself
Girl let me love you
I know your trouble
Don't be afraid, girl let me help
Girl let me love you
And I will love you
Until you learn to love yourself
Girl let me love you
A heart of numbness gets brought to life
I'll take you there

Girl let me love you
Girl let me love you, baby, oh
Girl let me love you
Girl let me love you, baby
Girl let me love you
Let me love you, let me love you, oh

I can see the pain behind your eyes
It's been there for quite a while
I just wanna be the one to remind you what it is to smile
I would like to show you what true love can really do

Girl let me love you
And I will love you
Until you learn to love yourself
Girl let me love you
I know your trouble
Don't be afraid, girl let me help
Girl let me love you
And I will love you

Until you learn to love yourself
Girl let me love you
A heart of numbness, gets brought to life
I'll take you there

Girl let me love you, baby
Girl let me love you
Let me love you, let me love you, baby
Girl let me love you
Girl let me love you, baby
Girl let me love you
Let me love you, girl let me love you, baby

For every heart that beats
For every heart that beats
For every heart that beats
For every heart that beats
Heart that beats
Heart that beats
Heart that beats
Heart that beats

Girl let me love you
And I will love you
Until you learn to love yourself
Girl let me love you
I know your trouble
Don't be afraid, girl let me help
Girl let me love you
And I will love you
Until you learn to love yourself
Girl let me love you
A heart of numbness, gets brought to life
I'll take you there

Girl let me love you
Let me love you, baby, love you, baby
Girl let me love you
Let me love you babe, love you babe, ooh-ooh-ah
