We can watch a DVD
Baby
Sit up
In the house and be
Just be there
You ain't gonna get
Cute for me
Truthfully
I prefer you
With no make up
In one of my t-shirts
Bunny slippers
On your feet, girl
And just try to be
All up under me
On the couch
In front of the TV
Baby that's gangsta

Let's just be
(Babe)
Baby let's just be
Ain't gonna be
No runaround
In these streets
(These streets baby)
Just my girl and me
(And me)
Doin' whatever babe
Let's just be

Dinner
From the microwave, ok
Girl
I'm gonna put
My cell away
No distractions
We're just gonna
Take this day
To lay around together
And be lazy
Play a video game

Or maybe
I'll paint your toenails
I'll sing you a song
If you want me to
Girl whatever you
Want to do
It's so simple

Let's just be
Baby, let's just be
(Let's just be)
Ain't gonna be
No runaround
In these streets
(Streets)
Just my girl and me

(Girl and me, baby)
Doin' whatever babe
Let's just be
(Let's just be)

Baby, let's just be
Ain't gonna be
No runaround
In these streets
(Oh)
Just my girl and me
(Mmhhmm)
Doin' whatever babe

Wrapped up in my arms
Girl until the morn
Nothing is better my baby
Soon we'll fall asleep
Then eventually
We'll wake up
And i'll be ready
(Baby, wake up)

Let's just be
Overcome
By passionate love
Let's just be
Oh, overwhelmed
By each other's touch
Let's just be
On the brink
Of explosion when we
When we
Girl when we, when we

Just be, ooh baby
Can we just
Can we just

Let's just be
(Be)
Baby, let's just be
(Be)
Ain't gonna be
No runaround
In these streets
Just my girl and me
Doin' whatever babe
Let's just be

Baby, let's just be
Ain't gonna be
No runaround
In these streets
Just my girl and me
Doin' whatever babe
