Hmmm,mmmm  
Lets Leave off the lights

I cordially do invite  
You and your appetite  
To an experience event  
Thats sure to blow your mind  
Sip on a little wine  
But lets get the candle light  
I'm in the mood to experiment tonight  
Lets leave off the lights

Hmmm mmmm  
Girl i really hope that  
You don't mind..yeah  
Lets leave off the lights  
Ooohh i wanna see it all tonight  
Lets leave off the lights  
Ooh  
Making love I'm staring in your eyes,  
Lets leave off the lights  
It will make it so good  
So good  
Lets leave off the lights

It's not that I dont love the spark  
Of sex with you in the dark  
Just letting our imagination run wild  
But oooh

I think its sexy too  
Watching our body move  
Following every curve of sexy you  
Lets leave off the lights...Baby

Girl i really hope that  
Lets leave off the lights  
Oooh I just wanna see it all tonight  
Lets leave off the lights  
Making love I'm staring in your eyes,  
I'm staring in your eyes  
Lets leave off the lights

It will make it so good  
So good  
make it so good  
Lets leave off the lights

Girl i really hope that  
You don't mind  
That you don't mind baby  
Lets leave off the lights  
I wanna see it all tonight  
I wanna see it all  
Lets leave off the lights  
Making love I'm staring in your eyes  
In your eyes  
Lets leave off the lights  
It will make it so good  
So good  
Lets leave off the lights
