Lie to me
Lie to me
Lie to me
Lie to me
Lie to me
Lie to me
Lie to me
Lie
Lie

I just wanna be loved
I don't wanna feel a thing
I don't want reality
Actually, reality stings
How 'bout we just pretend,
That your cellphone didn't even ring
And that I wasn't on the other side of the door
Listening to everything

Tell me another lie
I don't wanna know what I know to be true,
What I need you to do, tell me another lie,
I don't wanna know what I know to be true,
What I need you to do, tell me another lie,
I don't wanna know what I know to be true,
What I need you to do, tell me another lie,
I don't wanna know what I know to be true,
What I need you to do, tell me another lie...

Lie to me
Lie to me
Lie to me
Lie to me
Lie to me
Lie to me
Lie to me
Lie
Lie

Please make me believe
That there is nobody for you but me
And when I ask who where you talking to
Tell me it was Kimberley
Ooh, tell me the last night you didn't leave

After you thought I was sleep
Crept back in at 6:45
Tell me it was just a dream
Baby I need, desperately, desperately
To believe you
Cause I won't be held responsible
For what, what I might do
Baby I need, desperately, desperately
To believe you
Cause I won't be held responsible
For what, what I might do

Tell me another lie (hey)
I don't wanna know what I know to be true, (Don't wanna
know, don't wanna know)
What I need you to do, tell me another lie, (Another lie,
yeah)
I don't wanna know what I know to be true,
What I need you to do, tell me another lie, (Oh, tell me
another lie)
I don't wanna know what I know to be true, (Don't wanna
know, no, no)
What I need you to do, tell me another lie, (Tell me it
baby)
I don't wanna know what I know to be true, (Hey, hey,
hey hey)
What I need you to do, tell me another lie...

Tell me another lie
Tell me another lie
Tell me another lie

Tell me another lie
I don't wanna know what I know to be true,
What I need you to do, tell me another lie,
I don't wanna know what I know to be true,
What I need you to do, tell me another lie,
I don't wanna know what I know to be true,
What I need you to do, tell me another lie
I don't wanna know what I know to be true,
What I need you to do, tell me another lie...
