(Intro)

Floating along in the middle of the sea  
That's what it feels like  
Two weeks later and you're still not talking to me  
Baby, the energy it takes to act like I'm not there  
We could be use it to make up  
But really you don't seem to care  
So let me try this again

(chorus)

I'm sorry for the wrong that did  
Why can't we just get over it  
This ain't right  
We're bigger than this  
Bigger than this

Stupid fight  
Baby girl we're bigger than this  
Bigger than this  
Staying mad at me for eternity  
What's that gonna be  
So baby can we try  
'Cause what we've got is so much bigger than this

(Verse)

Now baby normally  
We don't stay mad for too long  
We would break up just to make up  
'Cause it felt wrong  
(for us to be apart)

Girl I miss you intensely  
So can we  
(Make every thing okay)

It's a love hate, kinda thing  
With us baby

(Chorus)

I'm sorry for the wrong that did  
Why can't we just get over it  
This ain't right

We're bigger than this  
Bigger than this

Stupid fight  
Baby girl we're bigger than this

Bigger than this  
Staying mad at me for eternity  
What's that gonna be  
So baby can we try  
'Cause what we've got is so much bigger than this

(Bridge)  
No, really baby no  
I refuse to believe that  
This is stronger than our love  
Any thing worth  
That is worth  
Fighting for  
(Oh, oh)  
Our love is so much bigger  
than this

(Oh, oh, oh)

We're bigger than this, bigger than this  
(So much bigger)  
Stupid fight  
Baby girl we're bigger than this

Stay mad at me for eternity  
What's that gonna be?  
So baby girl we try  
'Cause all we got is so bigger than this  
This ain't right  
(Oh, baby)  
We're bigger than this, bigger than this  
Stupid fight

Baby girl we're bigger than this, bigger than this  
Staying mad at me for eternity  
what's that gonna be?  
So baby can we try  
'Cause what we've got is so much bigger than this

(Oh, Oh, oh, oh, oh)  
(Yeah, yeah, yeah, yeah, yeah)

(Oh, Oh, oh, oh, oh)  
(Yeah, yeah, yeah, yeah, yeah)

(Oh, Oh, oh, oh, oh)  
(Yeah, yeah, yeah, yeah, yeah)
