'stead of trying to impress I'm ma make you feel good  
(to make you feel good)

'stead to try to prove that I'm the best oh I just make  
you feel good (feel good baby)

Let them young boys toss you all over the room I'm ma  
lay you down keep it nice and smooth,baby no extreme

Baby I'm a grown man's made (oh yea), no I ain't  
testing you (doing the most girl)

and I'm 'bout to hurt myself (oh no),only impressing  
you (looking up for us both)

From the corner in the kitchen,bathroom on the floor,all  
I wanna know is what a hell for?

You've been with young bucks tryin' to make up for the  
things that they just can't doooo.

'stead of trying to impress (hey) I'm ma make you feel  
good ( said I'm ma make you feel good)

'stead to try to prove that I'm the best (I wanna prove it  
baby) I just make you feel good (feel good)

Let them young boys toss you all over the room I'm ma  
lay you down keep it nice and smooth,baby no extreme  
,no stress, I just make you feel good (wanna make you  
feel good )yea, yea, yea.

Mading position that ain't my mission,I can get it done  
in one or maybe two no need to flex girl it's only sex  
girl and we supposed both have fun

I can break you off and you be able to walk in the  
morning so you can go to work

No we both only bounce of alone

Girl let me do you like I should just wanna make you  
feel good

'stead of trying to impress (oh) I'm ma make you feel  
good ( said I'm ma make you feel good)  
'stead to try to prove that I'm the best (no need to prove  
that I'm the best baby) I just make you feel good (just  
wanna make you feel good)  
Let them young boys toss you all over the room I'm ma  
lay you down keep it nice and smooth,baby no extreme  
,no stress ( no stress, no stress) , I just make you feel
