wanna make you say oh, oh, oh, oh ,ooh ,oh, oh, oh,  
oh, oh ,oh, oh, ooh, oh, oh, oh.

Say I don't know no magic tricks (oh no)  
No baby that ain't me  
But i always know the spot to hit,(oh yeah)  
said i can guarantee  
Ima make you scream my name (maybe)  
Holla "ooh baby"  
Have you walkin' round feelin like a new lady  
But i don't need ninety-nine positions  
To give you what i know you' been missin babe

'Stead of trying to impress,  
imma make you feel good  
'Stead of trying to prove that im the best  
i'll just make you feel good  
feel good baby  
Let them young boys toss you all ova the room  
Ima lay you down, keep it nice and smooth  
Baby no extra, no stress,  
I'll just make you feel good  
yeah yeah yeah

Baby im a grown ass man(oh yeah)  
No i aint testing you(doing the motions)  
and im not about too hurt myself(oh no)  
On impressing you(looking out for us both girl)  
From the counter in the kitchen,bathroom on the floor  
All i wanna know is what the hell for  
You been with young bucks trying to make up  
For the things that they just cant doo

'Stead of trying to impress,  
imma make you feel good  
'Stead of trying to prove that im the best  
i'll just make you feel good

feel good baby  
Let them young boys toss you all ova the room  
Ima lay you down, keep it nice and smooth  
Baby no extra, no stress,

I'll just make you feel good  
yeah yeah yeah

Many positions, that aint my mission  
I can get it done in one or maybe two  
No need to flex girl, its only sex girl  
Aint we suppose too both have fun

I can break you off and you be able to walk in the  
morning  
so you can go to work  
No we both only bounce of alone  
Girl let me do you like I should  
just wanna make you feel good

'Stead of trying to impress,  
imma make you feel good  
'Stead of trying to prove that im the best  
i'll just make you feel good  
Let them young boys toss you all ova the room  
Ima lay you down, keep it nice and smooth  
Baby no extra, no stress,  
I'll just make you feel good  
yeah yeah yeah

Oh, oh, oh, oh, ooh, oh, oh, oh, wanna make you feel  
good,  
oh, oh, oh, oh, ooh,oh, said just wanna make you feel  
good  
oh oh oh oh ooh, oh, oh,just wanna make you feel good  
oh, oh, oh, oh, ooh ooh,oh, oh, oh.
