Uh, yeah yeah
Uh, mmm, yeah yeah
Mmm, mmm,
Yeah yeah.....

Sometimes I'm just wrong, hardest thing I've ever had
to say

We don't get along,
all the time I've [fret?], don't mean just walk away, just
walk away

We question this relationship,
start to ask ourselves, why put up with it?
And though, we go through [thin and thick?], to be over
it, just don't make no sense, oh no

Mmm..

Me without you, baby that's impossible to see
(impossible to see)

Baby, me without you (wooh), baby there's no other girl
for me (no other girl for me) ohh yeah, yeah.

You were right (ehh, yeah yeah yeah yeah)
second hardest thing ive had to say (second hardest
thing ive had to say)

Please dont take your light (ehh yeah yeah yeah yeah)
'cause without it i cant find my way (find my way)

We question this relationship
start to ask ourselves why put up with it (why put up with
it)

And though we go through [thin and thick?] (hey)
to be over it, just don't make no sense, oh no

baby me without u, baby thats impossible to see
(impossible to see)
baby me without you, woahh, baby theres no other girl

for me (no other girl for me)

Don't ever think that ill ever be perfect
Never truly worthy of your love

And the day that i die, is the day that i don't try
be the best man I can be for us... yeah.

Wooo, Yeah Yeah, Ooohh

Heeey!

Baby me without you, baby that's impossible to see
(impossible to see)

Heeey!

Baby me without you, baby there's no other girl for me
(no other girl for me)

yeah yeah yeah yeah yeah
