Ooh  
It's something about  
Just something about  
The way she moved  
I can't figure it out  
There's something  
About her  
(About her)  
Say ooh  
There's something  
About kinda women  
That want you  
But don't need you  
Hey  
I can't figure it out  
There's something  
About her  
Cuz she walk like a boss  
Talk like a boss  
Manicured nails  
Just sent  
The pedicure off  
She's fly effortlessly  
Cuz she move like a boss  
Do what a boss  
Do  
She got me thinking  
About getting involved  
That's the kinda girl  
I need

She got her own thing  
That's why I love her  
Miss independent  
Won't you come  
And spend a little time  
She got her own thing  
That's why I love her  
Miss independent  
Ooh  
The way you shine  
Miss independent

Hey, yeah, yeah  
Yeah, yeah, yeah  
Yeahhh, mmm  
Ooh  
There's something  
About kinda woman  
That can do  
It for herself  
I look at her  
And it makes me proud  
There's something  
About her  
There something  
Ooh  
So sexy  
About the kinda women  
That don't even  
Need my help  
She says she got it  
She got it  
No doubt  
There's something  
About her  
Cuz she work  
Like the boss  
Play like the boss  
Car and a crib  
She about  
To pay em both off  
And her bills  
Are paid on time  
She made for a boss  
Soley a boss  
Anything less  
She's telling em  
To get lost  
That's the girl  
That on my mind

She got her own thing  
That's why I love her  
Miss independent  
Won't you come  
And spend  
A little time  
She got her own thing  
That's why I love her  
Miss independent  
Ooh  
The way you shine

Miss independent

Yeah, yeahhh

Her favorite thing  
Is to say  
Don't worry I got it  
And everything she got  
Best believe  
She bought it  
She gon steal my heart  
Ain't no doubt about it  
Girl  
Your everything I need  
Said your everything  
I need

She got her own thing  
That's why I love her  
Miss independent  
Wont you come  
And spend a little time  
She got her own thing  
That's why I love her  
Miss independent  
Ooh the way you shine  
Miss independent  
That's why I love her
