Maybe I was wrong
Maybe you were right
Maybe I don't listen
Like I should
Maybe when I don't
Don't come home at night
It tends to bother you
Maybe I could start
Answering a page
Call if I'd be late
That'd be good
What I'm trying to say
Is that I'm gonna try
And do better for you

I'm aware
That they're some faults
In this relationship
Where I could try
A bit harder than I do
And so I'm telling you

I'm not
I'm not perfect
Just making sure with me
Baby, please
I'm gonna be so right
For you girl
So I'm
So imperfect
Just don't give up on me
You will see
I'm gonna be so right
For you girl

Maybe I don't ask
You about your day
Maybe I act
Like I don't care
Girl I really do
I just got a whole lot
On my mind right now

Baby, I don't want
You to go away
Everything is wrong
If you're not there
Tell me what you want
And I'm gonna try
To give it all
To you somehow

I'm aware
That they're some faults
In this relationship
Where I could try
A bit harder than I do
And so I'm telling you

I'm not
I'm not perfect
Just making sure with me
Baby, please
I'm gonna be so right
For you girl
So I'm
So imperfect
Just don't give up on me
You will see
I'm gonna be so right
For you girl

I know
You can do
Better than me
But I don't want
Nobody but you
And I know
You don't think
I appreciate you
Let me show you
That is not true

(2x):
I'm not
I'm not perfect
Just making sure with me
Baby, please
I'm gonna be so right
For you girl
So I'm
So imperfect
Just don't give up on me
You will see

I'm gonna be so right
For you girl
I'm not
I'm not perfect
Just making sure with me
Baby, please
I'm gonna be so right
For you girl
So I'm
So imperfect
Just don't give up on me
You will see
I'm gonna be so right
For you girl
