Take all my money from me  
Nothing matters but the girl  
Take the recognition  
Take all the fame  
Even take my name  
Nothing matters but the girl  
Take every stitch of clothes that I own  
And completely naked I will walk to her  
Take until you can't  
Take me, as long as you don't touch my baby  
Nothing matters but the girl  
Said I don't even like to think  
Think of being by myself  
As long as your standing next to me  
I don't need nothing else  
Not nothing else, yes

[Chorus]

Nothing but the girl  
Nothing matters but the girl  
I tell you nothing matters but that girl  
Said nothing but my baby  
Nothing but the girl  
Nothing matters but the girl  
I tell you nothing matters but that girl  
Nothing but my baby  
Said nothing but my baby

[Verse-2]

Take my seconds, minutes, hours  
All my precious time 'cause  
Nothing matters but the girl  
Take my skill away  
The words I say  
Reason in my rhyme 'cause  
Nothing matters but the girl  
Excuse me Lord  
Don't mean to interrupt  
But stop what your doing  
Make 'em take the world  
But if you could, oh, please just

Leave her here with me 'cause  
Nothing matters but the girl

[Chorus]

Nothing but the girl  
Nothing matters but the girl  
I tell you nothing matters but that girl  
Said nothing but my baby  
Nothing but the girl  
Nothing matters but the girl  
I tell you nothing matters but that girl  
Nothing but my baby  
Said nothing but my baby  
Tell you nothing but my baby

[Verse-3]

Ain't nothing on this whole wide world  
That I can't do without  
Except for you, no doubt  
My girl  
Said not even the air I breathe  
Is more important to me  
Than my baby, baby, baby  
I tell you nothing but my baby  
Said nothing but my baby  
Nothing but the girl

[Chorus]

Nothing but the girl  
Nothing matters but the girl  
I tell you nothing matters but that girl  
Said nothing but my baby  
Nothing but the girl  
Nothing matters but the girl  
I tell you nothing matters but that girl  
Nothing but my baby  
Said nothing but my baby
