Uh dont be mad at me baby, its just part time.

Understand sugar i told you just what i was on.  
See, lay you down and trow your mind and after that i  
am gone ooh, yeah.  
Please dont ask about what time i'm gonna be at home,  
mmm.  
Next time you get a little something, girl just call my  
phone, and i'll see if i can cancel you in.

I'm a part time lover,  
a full time freak.  
I might not call you,  
for two weeks.  
but when i come tru just be ready, to get down, down.

I cant be there every single time you want me to, i  
understand that you cant help it.  
Sayd i've got other boss tey need it just as bad as you.  
You need to stop me it's so selfish.  
Maybe i'll should bring the camera for you next time.  
Lets made a wrong dirty movie  
So when you 'll get horny and im not around just press  
rewind, then we can do it over and over again.

I'm a part time lover,  
a full time freak.  
I might not call you,  
for two weeks.  
but when i come tru just be ready, to get down, down.  
(down, down, down, down)

Whooo dont act like you dont know.  
Let me break you off and i gotta go.  
Call me later when the fort get you go.  
Maybe we can hook up after the show

I'm a part time lover,  
a full time freak.  
I might not call you,  
for two weeks.

but when i come tru just be ready, to get down,  
down.(get down, get down, down, down.)

I'm a part time lover,  
a full time freak.
