Though the spot - light,
Is not for me,
I close my eyes and imagine I'm home,
I miss the days, when, life was simple,
But if I never tried to follow that rainbow,
In search of the pot of gold
(woooah woooah)
In search of the pot of gold.

I remember my apartment
sure is the small but it was mine
Big dreams and big aspirations
And confidence that I was shine
I see and think about some day
when I no longer had to cry
..what I know now what a ..
They say all the gooder want to live her what you're
living for
Now that I know I couldn't ..more.

Refren
Though the spot - light,
Is not for me,
I close my eyes and imagine I'm home,
I miss the days, when, life was simple,
But if I never tried to follow that rainbow,
In search of the pot of gold
(woooah woooah)
In search of the pot of gold
My seats surrounded by people
they think I'm stupid or I'm blind
they like the .. and my face where in the small the
perfect smile
they question in my .. and constantly ..
myself I do this for love and not for shine
'cause they say all the glitter want to live her what
you're looking for
Now that I know I couldn't .. more.

Refren:
Though the spot - light,

Is not for me,
I close my eyes and imagine I'm home,
I miss the days, when, life was simple,
But if I never tried to follow that rainbow,
In search of the pot of gold
(woooah woooah)
In search of the pot of gold
Is this really what I always dreamed
And reality is ..and so is he.

[2 x Chorus:]
