she said that she'd take it off  
right here  
take it off  
right now  
give him back his ring and stay with me  
she must think thats what i want to hear

good as it may sound  
i know myself that cant be  
and i didnt feel bad about it till right then  
had to remind her that we were just pretend

i said baby i want you  
but he needs you  
stay with the real thing  
i never love you like him  
see i only want you  
but baby he needs you  
stay with the real thing  
stay with the real thing  
stay witchya man

here comes a tear  
here comes a tear  
baby please dont cry  
dont cry  
i thought u knew wat this was  
baby I never acn take the place  
of ur husband  
but we'll always be friends

baby we shouldnt have become lovers

and i didnt feel bad about it till right then  
had to remind her that we were just pretend  
i said baby i want you  
but he needs you  
stay with the real thing  
ill never love u like he does  
see i only want you  
baby he needs you  
stay with the real thing

stay with the real thing  
stay witchya man

hes got love for you forever  
why cant you see here with me wont be better  
oh cus i only want you  
but he needs you

stay with the real thing  
ill never loved you like him  
see i only want u baby  
but he needs you  
stay with the real thing  
stay with the real thing  
stay witchya man
