I know that song
heard that one before
your love belongs to somebody else
but I don't feel wrong
telling your body you deserve more
and wondering why you cheat yourself yeah

Normally I want respect his boundaries
but I just can't help feeling he
ain't go bout you better than me girl

Chorus:

I'm not trying to be rude
but he is not the one for you
he can't love you like I do
and I'm not tryin to be me
but that's not what you should be
baby you should be right here with me
Oh baby right here with me

He can make you smile mhm no
by the way I see you ..you're with me
you're so happy and I know
you two don't get alone, get alone
any time you call it turn it up it's phone
there's still wrong

Yeah and normally I want respect his boundaries
but I just can't help feeling he
ain't go bout you better than me girl

Chorus:

I'm not trying to be rude
but he is not the one for you
he can't love you like I do
and I'm not tryin to be me
but that's not what you should be
baby you should be right here with me
Oh baby right here with me

You know that I should be your guy

you should be right right here me
you know that I should be your guy
you should be right, right here with me

[Chorus:]
