Rose

Beautiful girl u could see light in her eyes

Clouded by pain now they were dark as the night

They knew by looking that something was wrong

They watched her dance but left her alone

He was a man who would get what he wants

Soon he would learn that every rose has it thorns

All she wanted was to dance

Wrong day to get in her way

Now there's blood upon her hands

Beware the thorns of any rose

Beware of the thorns of any rose

Cause u never know

How she stared onto her predators face

He became every man that had ever shown her pain

They knew by looking that something was wrong

They watched her dance but left her alone

He was a man who would get what he wants

Soon he would learn every rose has its thorns

All she wanted was to dance

Wrong day to get in her way

Now there's blood upon her hands

Beware the thorns of any rose

Beware the thorns of any rose

Cause u never know..

(ohh oohh ohhh ohh)

Beware the thorns of any rose

Beware the thorns of any rose

Cause u never know
