Baby when we first met  
It was kind of fly that I couldn't predict your mood  
Said I could never guess, no  
And it was the best, so  
Not like any other dude  
But I don't know man, I don't know man, I don't know  
man  
I don't really, really know

But before my eyes I saw the good you leave  
And the bad you start to show  
And I just can't take it, I can't take it  
No I just can't take it, No  
So we ain't gon make it, Ain't gon make it  
This is relationship ain't gon make it, no

I'm tired of all this..

Round and Round we go  
You can't decide if you wanna be trife or treat me right  
So round & round we go  
While I decided don't wanna ride anymore  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go, Round & Round we go

Round & Round we go  
Don't get excited anymore when you're sweet to me  
Because I know one, two, three minutes later  
You'll be right back to being mean  
It's flowers on a Monday, Tuesday you're hating me  
Wednesday's makeup sex is so amazing  
What will you be Thursday, will it be friendly  
Or will you be like you've been sleeping with the enemy  
Thought So

Round and Round we go  
You can't decide if you wanna be trife or treat me right  
So round & round we go

While I decided don't wanna ride anymore  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go, Round & Round we go

Look at me, look at me, baby i'm so damn dizzy  
Tryina keep, tryina keep, trying to keep up with you  
Baby you're Doctor Jekyll and Mister Hyde  
Slowly ruining my life for me  
Baby I don't need you

Round and Round we go, Round & Round we go

Round and Round we go  
You can't decide if you wanna be trife or treat me right  
So round & round we go  
While I decided don't wanna ride anymore  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go, Round & Round we go  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go  
I'm sick and tired of you taking me Round & Round &  
Round  
Round & Round we go, Round & Round we go

Round & Round we go
