[Ne-yo: talking]

Close the door...

Lay down...

No, No, No... not like that...

Like this...

Yea...

Ok herez what I want u to do...

I want u to look me in my eyez...

& I want u to tell me...

Exactly... what u want me to do to u...

U ready?

[Ne-yo: singing]

Ur body whisperin from under the sheets

I hear it moaning, begging loud & clearly

I'm ever fluent in the language it speaks {yes}

But it's your mouth I want to tell it to me...

Girl why don't u

Tell me what u want me to do to u

Say it... Say it... Say it...

Girl why don't u

Tell me what u want from me girl wont u

Say it... Say it... Say it...

It's not as if I'm not totally aware

That, you want my handz rite here & my mouth rite there

Girl don't play shy show me how bold u can be {yes}

Open your mouth & tell me where u want me

Girl why don't u

Tell me what u want me to do to u

Say it... Say it... Say it...

Girl why don't u

Tell me what u want from me girl wont u

Say it... Say it... Say it...

[Ne-yo: talking]

Tell me what u want...

Oh u want that?

Say the word...

Turn around...

[Ne-yo: singing]
