Oohh ohh...
Oohh ohh...

Pull up at the vallet,
We can't help but be seen, girl.
Come take a picture with me baby,
Let's make the cover of Somebody Magazine,
'cause everybody's looking at us.

Something 'bout the way we hit the door.
We catch eyes, as we walk by, we demand attention
girl.
And it's something about the way we take the floor.
Effortless fly, that's when I lean in close to mention
girl...

[Chorus:]
Maybe it's you (I don't know...) maybe it's me
(mmmm...)
But for whatever reason, it just got sexy in here.
Up in here, up in here, just got sexy in here.
Up in here, up in here, it just got sexy in here.

So what you wanna drink on,
Baby just tell me now,
And it's on the way, on the way.
Come on let's go change the vibe, in the V.I...
Just by sitting down, see they get fly when we come
around babe...

Something 'bout the way I wear this suit,
Please believe me (please believe me),
Shorty I make this look easy.
Baby and it's something 'bout the way they look at you.
They don't wanna be you, only wanna wanna be with
you... 'cause sexy's never an issue, oh yeah...

[Chorus: Until End]
Maybe it's you (oohhh ohhh...) maybe it's me (I don't
know...)
But for whatever reason, it just got sexy in here.

Up in here, up in here, just got sexy in here.
Up in here, up in here, it just got sexy in here.

Maybe it's you (I don't know...) maybe it's me (said I
don't know...)

But for whatever reason, it just got sexy in here.

Up in here, up in here, just got sexy in here.

Up in here, up in here, it just got sexy in here.
