Now we went every night,
i hit the club and find somethin' i like
somethin' it looks like it would fit just right
by my side and in my ride couse i'm the old comin'
bachelor
that means i'm not chasin' after her
but imma get with her afterwords
she'll be by my side and in my ride couse,

(shes so confendent) shawty got her swagga on
(and i know where her dome is) by the waY she kiss
some maggin on,
shakes off them wanna be never gonna be playin' them
makes her way over to me

CHOURS

she knows (REPEAT) i know
couse she knew what she was doin' when she put then
on her attention was for me to take her home
she knows (REPEAT)
i know she's a mad breaker shall make a nigga work
gotta get a jumpin' on the bottom of her skirt

now when i look at her i gotta keep control

couse she makes me wanna get them like (?)
when i look at her we both start to pretendin'
like i don't want her and she ain't into me
but it's a (?) message keep leave in her hips
its like my it is a resom right next to her lips
the way she's movin' i'm gonna slip
unzip the rock and republics and give her the tip

(shes so confendent) shawty got her swagga on
(and i know where her dome is) couse the waY she kiss
some maggin on,shakes off them
wanna be never gonna be playin' them she makes her
way over to me

she knows (REPEAT) i know
couse she knew what she was doin' when she put then
on her attention was for me to take her home

she knows (REPEAT)
i know she's a mad breaker shall make a nigga work
gotta have a jumpin' on the bottom of the skirt (x3)
