You should blame Ne-Yo, the tracking tail, of young
player
Shot down in this crime, check it out
Cut it right to the chase I'ma keep it bro
? my wight from that side of the dance floor, sugar
My shoes are stepped on, my great ? are gone, I spilled
it
Tryn to get over here, but I ain't tripping cause I got
paid for every drink that I spill,
A bottle replaces it
Every chick I loose, a model replaces it
I'm sorry forgive me, I'm bragging ? ?
I've been out of my way to check and ain't
Something that happens every day in fact
Girl I came, remember the last time I had to go get my
Normally they just ? to the truck
I pick one that I want then we bounce to the spot
We do what we do and then I tell I hit the block
But then I picked a name so pack it up and let's go
What was that? What you mean? No Gotcha
Oh no no no, gotcha X2
I thought I was the man in the ? of my ?

Oh no no no, gotcha X2
I thought I was the man in the ? of my ?

?

Then momma look, you must not understand
You're standing in the presence of the man
Any woman in here that I wantin
And all I do is becoming its hard that I'm gonna get,
don't trip
I'm knowing this is a little scary, happens ?so very, I am
your envy
I'm gonin to get you red goose and cranberry, the
yellow canary, juice must be ?
Little momma, didn't mean to intimidate,
I can feel I'm worthy of humiliate
I know you're thinkin to yourself this is really great
All momma girls here wants me to get ?
Well it's you little momma, it's you

I forget people early, been a fool it's cool
Take a ? show me life's good, What ?
I just feel tryin to say nooo
Oh no no no, gotcha X2
? in the palm of my hand.
