may not be what you think you want  
i don't fit your mode of affection  
you see me break so many hearts  
which explains your constant rejections

but i know  
it was real  
and i wanna show you girl  
but every time that i try  
shut me down  
shut me down

you shut me down down down  
you shut me down down down  
you shut me down down down  
you shut me down down down

for what it's worth i'm in love with you  
said for what it's worth i'm in love with you  
for what it's worth i'm in love with you  
said for what it's worth i'm in love with you

you believe that i'm messing around  
that it can't be real what i'm saying  
but i've never felt what i feel right now  
so believe me girl i ain't playing

cause i know  
when it's real  
and i wanna show you girl  
but every time that i try  
shut me down  
shut me down

you shut me down down down  
you shut me down down down  
you shut me down down down  
you shut me down down down

for what it's worth i'm in love with you  
said for what it's worth i'm in love with you  
for what it's worth i'm in love with you

said for what it's worth i'm in love with you

cause i know  
when it's real  
and i wanna show you girl  
but everytime that i try  
shut me down  
shut me down

you shut me down down down  
you shut me down down down  
you shut me down down down  
you shut me down down down

for what it's worth i'm in love with you  
said for what it's worth i'm in love with you  
for what it's worth i'm in love with you  
said for what it's worth i'm in love with you  
for what it's worth i'm in love with you  
said for what it's worth i'm in love with you
