Que Linda ma, que Linda ma  
Tu que Linda ma, que Linda ma  
Que Linda ma, let's go

The room is spinnin' and I can't breathe  
And, oh, my head is just achin'  
Hands won't stop sweatin'  
And my knees, girl, they just won't stop shakin'

My stomach is turnin' flips  
And I feel sick, yeah see, yeah  
And this is all just  
At the thought of you leavin' me

(Baby, I'm a fool)  
Am I stupid?  
(Baby, I'm a fiend)  
Addicted to it

(Baby, I don't know)  
But your my get right when it's wrong  
(Baby, it's your smile)  
Makes me happy

(Baby, it's your touch)  
So relaxing  
(Whatever it is)  
Without it I just can't go on  
And I want you to know that

I just can't help myself  
I just can't help myself  
I don't need nothin' else  
All I need is you

Why don't you just stay with me  
Why don't you just stay with me  
Why don't you just stay with me  
Why don't you just stay with me

Never gonna be without cha'  
See myself with only you

I finally found my inspiration  
Here your voice sing  
(Baby)

Anything I gotcha'  
Watcha' want indeed I'll be  
'Cuz you are my everything  
So, baby, please just stay with me

(Baby, I'm a fool)  
Am I stupid?  
(Baby, I'm a fiend)  
Addicted to it

(Baby, I don't know)  
But your my get right when it's wrong  
(Baby, it's your smile)  
Makes me happy

(Baby, it's your touch)  
So relaxing  
(Whatever it is)  
Without you I just can't go on

I just can't help myself  
I just can't help myself  
I don't need nothin' else  
All I need is you

Why don't you just stay with me  
Why don't you just stay with me  
Why don't you just stay with me  
Why don't you just stay with me

Que Linda ma, que Linda ma  
Tu que Linda ma, que Linda ma  
Que Linda ma, que Linda ma  
Tu que Linda ma, que Linda ma

Dah, dah, dah, dah, dah, now  
Live from the 215  
My baby girl ride right on my left hand side  
Mercedes rug slide through the palm of a dime

The brother known best, it's the prince  
And you my princess, let's get it on  
Mami que-Linda, look at cha' beautiful smile  
I don't wanna leave ya

Why don't cha stay for a while  
I love to love ya

Like heavy bum, bum, tiddly, dee  
Take off ya sneaks

And lemme tickle ya feet  
Peddi a Libra  
You think that Peddi a freak  
Ooh, you a Leo

I heard they rather unique, you're sucha diva  
You're sucha pleasure to meet  
You're one of your stature  
One in a million, nothin' else matters

I love to turn you on  
You're like my favorite song  
Without you would be wrong  
(Would be wrong)  
Forever and always

Did you know what you do for me?  
Love you, you're my melody  
Wearin' my heart on my sleeve  
(Music)  
You're all I need

I just can't help myself  
I just can't help myself  
I don't need nothin' else  
All I need is you

Why don't you just stay with me  
Why don't you just stay with me  
Why don't you just stay with me  
Why don't you just stay with me
