She gave
A round of applause
Followed
By a standing ovation

I feel so dumb right now
Standing outside her house
Trying to apologize
'Cause I told quite a few lies
(Damn)
And she found me out
So now I'm saying sorry
'Cause I am
Though it's very clear to me
That she don't give a damn
Got me out here putting on a show
Neighbors laughing at me
I just want her to know
Without her I can't be happy
So I'm putting on a show
I hope it's entertaining
Don't say we're over now
Please let me in the house

She said
"And the award
For the best lie goes to you
For making me believe
That you could be faithful to me
Let's hear your speech now"
She gave a round of applause
Followed by a standing ovation

Got me out here
Putting on a show
Neighbors laughing at me
I just want her to know
Without her I can't be happy
So I'm putting on a show
Hope it's entertaining
Don't say we're over now
Please let me in the house

Baby, please
Don't say we're over now
