he working honest but she say it's on a temporary  
It's been 3 years and she's still here and I was kinda scary  
Say she don't wanna dance forever â€¦ my face like  
Why? Why?  
She super sexy everybody wanna know bout her  
And when that everybodyâ€¦  
Because the way she get it in, all of the â€¦ I'll try, I'll try

Shawty so incredible  
Body language she's a poet  
She's so bad and what's so sad  
That she doesn't even know it

Little mama â€¦stand  
The way you do the things you do  
Nobody else can  
And I know you probably get whatever from whatever man  
Shawty do â€¦ so, still it be ashame to see you go  
Cause the way you move, uh, uuuhuuu  
Girl the way you move  
Girl you got them like uuuhhh,  
Girl you're so the truth  
Can't take my eyes away from you  
Girl the thangs you do  
Girl you keep them like uuuhhh  
Baby I love the way you move

If this club was the sky,  
You're the brightest star  
You like playing fairâ€¦ on that pole like  
What? Drop a couple stacks on you that's none  
Hundred after hundred â€¦ a nigger ain't fronting  
Wait in the club then I ain't come  
â€¦tired of all that bullshit  
Gonna quit the game, change your life and ease your pain

Hold up, work so hard it's time to play  
Baby girl take it off the tray

Shawty so incredible

Body language she's a poet  
She's so bad and what's so sad  
That she doesn't even know it  
Little mama â€¦stand  
The way you do the things you do  
Nobody else can

And I know you probably get whatever from whatever man  
Shawty do â€¦so, still it be ashame to see you go  
Cause the way you move, uh, uuuhuuu  
Girl the way you move  
Girl you got them like uuuhhh,  
Girl you're so the truth  
Can't take my eyes away from you  
Andl the thangs you do  
Girl you keep them like uuuhhh  
Baby I love the way you move

I never felt like this before  
Which is why I brought some friends along to help me express it  
A little better  
Got one more friend who I wanna talk to  
Whoâ€¦ more experience in this department  
Pain, talk to her

I never seen nobody work it quite like you baby  
I gotta tell you I'm starting to like you baby  
And it's crazy cause you don't wanna be here  
I see it in your eyes, â€¦  
Start listening to them girls into the locker room  
Just keep doing your thang, don't let them stop you boo  
And if you heard some things about me  
Girls they're all lies, lies

She looks so incredible  
Body language she's a poet  
She's so bad and what's so sad  
That she doesn't even know it

The more I drink the more you look like wife material  
If you â€¦around with me girl, here we go

You hit the stage and then you make the music stop  
Then your booty go, left â€¦ right â€¦  
Girl I love the way you move,  
Got me like uuuuh  
Girl I love the way you move, whoa  
Girl I love the way you move  
Girl you're so the truth  
Can't take my eyes away from you  
It's the thangs you do  
Girl you keep them like  
Baby I love the way you move  
Baby don't go, don't  
Baby don't go, don't  
Baby don't go, don't.
