Baby don't go  
Baby don't go  
Baby don't go  
(Neyo)  
She work at Onyx but she say it's only temporary  
It's been 3 years and she's still here and I was gettin'  
scary  
Say she don't wanna dance forever, i look at her with  
my face like, Why? Why?  
She super sexy everybody wanna know about her  
The one that everybody want but no ones ever got her  
Because the way she get it in, all of the men, even the  
women, all try, all try  
Shawty so incredible  
(Ooohh)  
Body language she's a poet  
She's so bad and what's so sad (Sad)  
That she doesn't even know it  
Little mama understand  
The way you do the things you do  
Nobody else can  
And you could probably get whatever from whatever  
man  
But shawty do whats in your soul, still it'd be a shame  
to see you go  
Cause the way you move, ooo, ooooo ooooo  
Girl the way you move  
Girl you got them like ooooo ooooo  
Girl the way you move  
Girl you saw the truth  
Can't take my eyes away from you  
Girl the thangs you do  
Girl you keep them like ooooo ooooo  
Baby I love the way you move

(Trey Sonz)  
Girl, If this club was the sky,  
You're the brightest star  
You ain't playing fair, stuntin down that pole like ooooo  
(What?)  
Drop a couple stacks on you that's nothin'  
Hundred after hundred girl a nigger ain't frontin'

You aint in the club then I ain't comin'  
(Naw)  
She said she tired of all that bullshit  
Gon' quit the game, change your life and ease your  
pain  
(Mmhm mmmh mmmhmmm)  
(Hold up,)  
work so hard it's time to play  
Baby girl take it off of trey  
Shawty so incredible  
(Ooo if you want to leave girl)  
Body language she's a poet  
(Ooo you should come with me girl)  
She's so bad and what's so sad  
(Youre the baddest thing up in here, dont cha know)  
That she doesn't even know it  
Little mama i understand  
The way you do the things you do  
Nobody else can  
And i know that you can get whatever from whatever  
man  
Baby do whats in your soul, but it'd be a shame to see it  
go  
Cause the way you move, ooo girl, ooooo ooooo  
Ooo Girl the way you move  
Ooo the way you do you got em goin Ooooo  
Just the way you move (haha)  
Girl you saw the truth (your the truth babe)  
Can't take my eyes away from you (Yeah)  
And the thangs you do  
Girl you got em like ooooo ooooo  
Baby I love the way you move  
(Neyo)  
I never felt like this before  
Which is why I brought some friends along to help me  
express it  
A little better  
Got one more friend who I wanna talk to  
With a little bit more experience in this department  
(Oooo)  
Pain, talk to her  
(T-Pain)  
I never seen nobody work it quite just like you baby  
I gotta tell you I'm starting to like it baby  
And it's crazy cause you don't wanna be here  
I see it in your eyes... eyes  
Stop listening to them girls in that locker room  
Just keep doing your thang, don't let them stop you boo  
And if you heard some things about me  
Girl they're all lies, lies  
Shawty's so incredible

Body language she's a poet  
She's so bad and what's so sad  
That she doesn't even know it  
(T-Pain)  
The more I drink the more you look like wife material  
If you ready to roll with me girl, here we go  
You hit the stage and then you make the music stop  
Then your booty go, left cheak right cheak  
Girl I love the way you move,  
Got me like ooooo ooooo  
Girl I love the way you move, whoa ooooo ooooo  
Girl I love the way you move  
Girl you saw the truth  
Can't take my eyes away from you  
It's the thangs you do  
Girl you keep them like ooooo ooooo  
(Baby I love the way you move)  
Baby don't go, ahh  
Baby don't go, ahh  
Baby don't go, ahh  
Baby don't go, ahh  
Baby don't go.
