Oh  
La la la la la

(Verse 1)

We Dance and sing  
Somewhere in between  
Heaven and Hell  
Gabrielle that was her name  
Everyone is smiling even through the tears  
Under her spell, but in gabis eyes nothing  
I ask: do you not like the music  
She said: its all right  
But she dances to her own sad tune

(Chorus)

She says: Take me away from here  
Take me somewhere  
Where love is like breathing  
I don't care where we go  
Long as I'm there with you  
Long as I'm there with you

(Verse 2)

I Can Tell  
She's been through pain I can only Dream  
Nightmares that live with you  
Tears Well In her eyes  
But she wouldn't let them fall  
I give the world to know what her smile is  
I Ask: will you dance with me now  
Let me try to figure out  
The fastest route out of town

She Smiles

(Chorus)

Take me away from here  
Take me somewhere

Where love is like breathing  
I don't care where we go  
Long as I'm there with you (baby)

(Hook)

Oh  
I got a full tank of gas  
(Oh Oh OOH)  
Anywhere you want to go  
(OH oH OH)  
All you have to do is ask Girl  
OH

(Chorus)

She said: Take me away from here  
She said: Take me somewhere  
Where love is like breathing  
I don't care where we go  
Long as I'm there with you (Baby)

Take me away from here  
She said: Take me somewhere  
Where love is like breathing  
I don't care where we go  
Long as I'm there with you
