How come you don't make time for me anymore
That's the last thing she said to you
And now when you call she don't answer anymore
Or the line is busy and you can't get through

In the time it would take you to learn from your
mistakes
In the time it would take to dial the phone
In the time it will take you to realize her greatness,
she'll be gone, she's moved on
To someone who takes the time

Her love wasn't a priority to you
You had other things on your mind
And now that it's much to little and so far too late
The busy signals all that's left behind
You're all alone

In the time it would take you to learn from your
mistakes

In the time it would take to dial the phone
In the time it will take you to realize her greatness,
she'll be gone, she's moved on
To someone who takes the time

Hey, no one knows what they have until they don't
And by then it doesn't matter anymore
You're all alone

In the time it would take you to learn from your
mistakes
In the time it would take to dial the phone
And the time it would take you to realize her greatness,
she'll be gone (she'll be gone)
In the time it will take you to realize her greatness,
she'll be gone, she's moved on
Hang up the phone...
