Type a text to a girl I used to see
Tell her that I found someone with whom I choose to be
Ah, it sound like this
To whom it may concern, if you got this message think
youÂ're somebody I know
Probably somebody I been intimate with before
Or at least I have planned to be, sometime in the future
This is not intended to be offensive at all
But to inform you that there is more than one of yÂ'all
Quite a few actually, more than IÂ'm proud of
But to everyone of you, this is me saying that IÂ'm
through
IÂ'm not trying to hurt anybody but,
Enough is enough, there can be no more us
Because of what I just found
I found love, so I gotta go,
I found love, nah I ainÂ't playing no more, whoa
And I apologize, whoa, but this is goodbye
I found love, wasnÂ't looking for it
I found love, but I canÂ't ignore it, whoa
And I apologize, whoa, but this is goodbye
And I know this is very unexpected,
But so was the way that me and this girl connected
It was something magical, story with status
You know what I mean?
And I must repeat that IÂ'm not trying to offend
But there ainÂ't no use in even trying to pretend
Cause nobody else compares
None of you do, sorry itÂ's true
But to each and everyone of you, this is me saying that
IÂ'm through
IÂ'm not trying to hurt anybody but,
Enough is enough, there can be no more us
Because of what I just found
I found love, so I gotta go,
I found love, nah I ainÂ't playing no more, whoa
And I apologize, whoa, but this is goodbye
I found love, wasnÂ't looking for it
I found love, but I canÂ't ignore it, whoa
And I apologize, whoa, but this is goodbye
Ah, ah, ah, said I donÂ't mean to hurt your feelings

But this love Iâ€™m feeling, is so real, I love this
So I guess it just is what it is, yeah, yeah
Oy, said I donâ€™t mean to hurt your feelings
But this love Iâ€™m feeling, is so real, I love this
So I guess it just is what it is, yeah, yeah
I found love, so I gotta go,
I found love, nah I ainâ€™t playing no more, whoa
And I apologize, whoa, but this is goodbye
I found love, wasnâ€™t looking for it
I found love, but I canâ€™t ignore it, whoa
And I apologize, whoa, but this is goodbye
Sorry baby, so sorry baby, uh, but I gotta go
I gotta go, I really gotta go right now
She calling on the other line,
So let me send this text... and go on with my life
Hope you find somebody, special as I found
