she said

she said just a taste
dont get lost in it babe
gotta beat that mid day traffic
and get back its gona be drama

no worries babe (no)
wouldnt want u to be late
lay down for a second let me
take some of that stress away

let me service u
send u back to work with a smile
ohh

you don't even care because i

touch you like i mean it
listen baby
no ones gona touch u
like i touch u
let me touch u again
touch u like i mean it
let me send u half way to heaven
half way to heaven girl

like i touch u
let me touch u again
touch u like i mean it
let me send u half way to heaven
half way to heaven girl
(x2)

touch you like i mean it
listen baby
no ones gona touch u
