All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies don't want it to end  
They looked at me and said, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker  
Baby I'm a troublemaker, I heard that you're a  
heartbreaker  
Baby I'm a troublemaker, I heard that you're a  
heartbreaker  
Baby I'm a troublemaker

See I'm that type of guy you won't love  
I'm that type of guy you won't cuff  
I'm that type of guy you daddy won't let go out  
'Cause he thinks I sell drugs

I'm that type of guy that will save ya  
I'm that type that will call you later  
Won't be around to give you that time  
Gotta get on the grind and get to that paper that I can  
do

Gotta keep my baby girl laced up in the latest and the  
fliest suits  
Never want for nothing, let's get caked up  
Hold it down, that's all you gotta do  
Then I walk up in the place with a pocket full of money  
My brother like I are the dude  
Stepping out with the finest suits, look at me now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies don't want it to end  
They looked at me and said, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a

heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker

Baby I'm a troublemaker

See I'm that type of guy that likes kissing  
I'm that type that will pop the clip and  
I'm that type of guy that put you in your place  
If you bougie just start tripping

I'm that type that will let you go  
I'm that type that will let you know  
That everywhere I go, I can find a pretty \*\*\*  
But there ain't too many know how to get that dough

That's the type of girl I want around me

Even though I'm a with her, make a man feel free  
Roll with the fellas, even hold my cheese  
Look like something you would see on TV

She don't mind climbing up that ladder  
Similar to the words, it don't matter  
But this time they wanna see us together  
Look at us now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies don't want it to end  
They looked at me and said, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker

Baby I'm a troublemaker

You're not for sure

Even though I wanna take you everywhere I go  
Because of you, all the girls is staring, taking notes  
And I realize being with you girls brings more girls  
And that's just what I'm attracted to

And I'd rather go all the way  
Love her long time till the break of day

I won't let her leave my bed  
Till she sees the Color Purple like Annie Mae

Now she wants to start holding on me  
Like whatever she's smoking on  
I'll be long gone before you can say  
Look at me now

All steady up in the club, just swagging doing my thang  
Popping bottles with models and just watching them  
drank  
Partying so hard, the ladies don't want it to end  
They looked at me and said, I heard that you're a  
heartbreaker

Baby I'm a troublemaker, I heard that you're a  
heartbreaker  
Baby I'm a troublemaker, I heard that you're a  
heartbreaker  
Baby I'm a troublemaker, I heard that you're a  
heartbreaker  
Baby I'm a troublemaker
