See you need another lover  
I can be the hole in your head;  
Shot down a couple times out tha love sky,  
now you'd rather be alone instead,  
and i get it, ???  
I'm a man with a number of flaws, I won't lie but that  
don't mean pass me by

[bridge]

I don't want to play like I know what you've been  
through, 'Cause I don't  
I don't want to make you think I'll waste your time too,  
'Cause I won't.  
I don't want you to look at me like these are the dudes,  
because I'm not.  
Disappoint you girl, I wont do it; all I'm asking is a  
chance to prove it.

[chorus]

Try me out, baby give me a shot; what you think I am,  
let me show you I'm not  
Maybe we'll be a little, maybe we'll be a lot; maybe I'm  
what you're missing, maybe I'm not  
[x3]

I'm a man on a mission,  
Wanna be the kind of man you missin',  
The kinda man that pays attention when you talk

'Cause I get it, someone stepped on your heart before,  
Somebody made you cry,

I'm a man with a number of flaws, I won't lie,  
but that don't mean pass me by

[bridge]

I don't want to play like I know what you've been  
through, 'Cause I don't  
I don't want to make you think I'll waste your time too,  
'Cause I won't.  
I don't want you to look at me like these are the dudes,  
because I'm not.

Disappoint you girl, I wont do it;  
All I'm asking is a chance to prove it.

[chorus]

Try me out, baby give me a shot; what you think I am,  
let me show you I'm not  
Maybe we'll be a little, maybe we'll be a lot; maybe I'm  
what you're missing, maybe I'm not

try me out  
try me out  
try me out  
try me out  
try me out
