In my back pocket
But just in case
She is my comfort
A smile across my face (smile across my face)
Oh, and I'm so content
I didn't want it
But now it's why I live

So what am I doing?
Who have u meet?
She's on my shoulder
And I'm ok with that
Oh, I can't escape it
But it's ok
Cuz truthfully I
Don't want to anyways

I've grown accustom
To what you do
I guess you can say
I'm getting used to you (used to you)
I'm getting used to you (used to you)
Oh, I'm getting used to you

Instant access
To extacy
My grown and sexy
And your maturity (maturity)
I love it, when I take charge
At least not at first
But now I lick my

I've grown accustom
To what you do (To what you do)
I guess you can say
I'm getting used to you (used to you)
I'm getting used to you (used to you)
Oh, I'm getting used to

Your walk, your talk
All that you do baby
I'm so used to you

Your walk, your talk
All that you do baby
I'm so used to you
So used to you, hey hey!

I've grown accustom
To what you do
I guess you can say
I'm getting used to you (used to you)
I'm getting used to you (used to you)
Oh, I'm getting used to you

I've grown accustom
To what you do
I guess you can say
I'm getting used to you (used to you)
I'm getting used to you (used to you)
Oh, I'm getting used to you
